● Available in any quantity, no minimum required.  
 ■ Minimum quantity may be required.  
 \* Signature® 200 White available in any quantity.

- Final color selection should be made from actual color chips.
- See product selection chart for gauge and color availability.
- All products available in smooth or embossed finish.
- Heavier gauges, narrower widths, striations and embossing minimize "oil canning."

- All Signature® 300 and 300 Metallic are low gloss colors.
- A 25-year limited paint warranty available for all colors upon written request. (Outside the continental United States, please inquire.)
- Signature® is a registered trademark of NCI Group, Inc.
- ★ ENERGY STAR Qualified Color through our Energy Star partners MBCI.

- \* Availability in certain areas may be restricted or require a surcharge.
- † Polar White is a Straight Polyester.
